"There's No Place Like Home" is an upcoming fundraising event in Austin, TX, benefiting the children of the Giocosa Foundation. Open to the public, the event will be held May 16, 2009 at the East Austin YMCA (5315 Ed Bluestein / Hwy. 183), from 9am to 5pm.

Anyone having computer (desktop or laptop) related issues is encouraged to bring their computer to the event, where technicians will troubleshoot and (whenever possible) fix the issue, perform tune-ups and routine maintenance functions, and check for viruses.

All services are free, but donations are highly encouraged and gladly accepted. 100% of funds raised will benefit directly the kids managed/sponsored by the Giocosa Foundation, a local, licensed non-profit organization specializing in foster child adoption, placement and case management.

About the repair service:

Repair sessions are performed on a first-come, first-served basis and are expected to last between 15 and 30 minutes. Appointments are not necessary. Please bring (if available) the original software and OS installation disks. Monitors, keyboards, power cords and mice will be available, so all you have to bring is the computer. In addition, technicians will teach OS (Windows and Mac) tune-up and maintenance classes throughout the day. For a schedule of classes, please visit the website at www.giocosa.com/computerrepair.

-Please note that computers may not be dropped off and should remain within eyesight of the owner-
